Dear Parents/Carers

Parent Governor

As a school we have a board of Governors who meet regularly and oversee the work of the school and we are looking for a new parent Governor. This is a great opportunity to be involved in what happens behind the scenes of your Child's School and to share ideas. If you think this is something you might be interested in becoming or you would like some more information about what the role is like please let us know.

Community Volunteers

You may have noticed the bushes around the School and particularly around the School gates are getting very overgrown and untidy. We all like to live and work in a clean area, free of rubbish, litter and overgrown shrubs and bushes. We are looking for volunteers to help cut back the bushes on Saturday 16th October.

Please come and speak to us in the office if you are able to help.

New Park Opening

Friday 24th September 2021, Willen Lake will open its brand new FREE play area. This new extended play area is over an acre in size and will be Milton Keynes' biggest free to use play area. (Parking charges will apply) The new play area is made up from two parts, the larger area is suitable for slightly older and more adventurous children and has a wide range of equipment. The second area is suitable for younger children and those with additional needs. This area is enclosed on three sides making it safe for little ones to explore.
