Dear Parents/Carers

REMINDER – Monday 21st March wear odd socks to school to celebrate World Down's Syndrome Day.

HOME LEARNING PROJECT.

A letter went home this week about our Easter Hats home learning project. You will find a lot of inspiration on the internet and we encourage you to be as creative and imaginative as you like. Please bring these back into school by Thursday 7th April.

SUPERSONIC PHONICS

You would have seen a letter sent out this week telling you all about supersonic phonics. This is an exciting way to help teach your children phonics. We have received some shiny new books for the children to learn with which were a huge investment so please make sure these are looked after when used at home. There will be newsletters coming home shortly to provide some further information and an invitation will be sent for parents to come and watch a phonic lesson take place during the summer term so you can see what it is all about.

SPARE CLOTHES FOR NURSERY AND RECEPTION CHILDREN

Please make sure your child has a named change of clothes in school at all times. The activities in school sometimes involve water and your child will occasionally get wet or messy through their play. Some basic trousers, a top, and some pants in a named bag are ideal to leave on their peg. Don't forget to replace them if they are used!

PARENT GOVERNOR

We are looking for a Parent Governor to join our school. Being a Parent Governor means you can play an important role in improving and shaping your children's education, as well as giving you an opportunity to develop new skills and experience. You can help make sure our school is run well, and pass on your knowledge and experience as you'll understand other parents' hopes and concerns for the development of their children. If this is something you think you are interested please submit a short email/letter telling us a little bit about yourself and why you would want to be a Governor. If we get more than one application there will be an election.
