

Half termly review

27TH MAY 2022

Message from the Headteacher

Dear Parents and Carers,

It has been a very busy and short half term. It started at school with many of the staff updating their own skills in First Aid training so that we make sure our knowledge is the best it can be.

The children have very much enjoyed learning about growing, the Queen and her life alongside watching the new windows and doors being fitted.

The children in year 2 have completed their SATS and their results will go towards their final grades which we will share with you in their final school reports. The children have also been busy using their maths, design and art skills to create cakes, decorations and invitations for the Jubilee picnic. Everyone is looking forward to our first event at school for a long time where we can bring together families, staff and the community.

The Chair of Governors and myself have attended some local community meetings so that we can start to work more closely together to offer some additional support to families when it is needed. Please remember there is no shame to ask for help, we all need some of the time with some of the things and we would always treat with confidentiality and respect.

Enjoy the half term holiday. I hope, if you go to any, that you enjoy celebrating the Queen's Platinum Jubilee (what an amazing achievement) and we will see you all again on the 7th June for another fun packed half term.

Take care

Mrs Jo Orbell

ACTIVITIES

Overview Of Nursery This Term

Nursery have really enjoyed learning the story 'Monkey puzzle'.

We were sent a letter asking for help from a monkey so we all decided to make missing posters to help find his mum.

We have also been busy counting all the animals, looking at their different sizes, exploring jungle photographs and creating the animals from the story. We particularly enjoyed making playdough and handprint animals.

The children have all worked really hard. Well done Nursery!

Overview of Reception This Term

In reception we started looking at Zog and Zog and the Flying Doctors. We have dived deep into the stories and the events of the story. Even including a Dr's role play which the children have become immersed in.

As part of our learning we have been looking at good deeds and what a good deed is. Trying to encourage the children to want to complete good deeds for others. Even if it is as simple as opening doors for others. This then fed nicely into what the children are good at. We have encouraged the children to think 'what am I good at' and even completed a little bit of writing to say what they are good at. By the way, the children are really amazing at lots of things. So talking about what they are good at is nice and easy.

Overview of Reception This Term continued...

To finish the term we have focused on the Queen's Jubilee and we read the Queens Knickers. We looked at what the Queen stands for and her charity work. She really has done an amazing job. During PE sessions we have been preparing for sports day. Practicing racing, throwing and developing the skills the children will need for sports day. During Maths sessions we have learnt new concepts such as doubling and halving. Remember doubling is adding the same number again. We have continued to recap subtraction to make sure the children have a nice deep understanding and confidence by learning it in different ways and using different resources. We have also developed our understanding of using a number line. The children have worked really hard in such a short half term and we look forward to their final half term in reception. Well done.

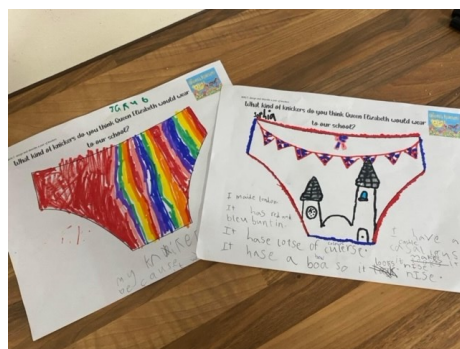

Overview of KS1 This Term

This half term Rabbits in the Meadow have been learning about growing. We have read and explored the tiny seed by Eric Carle and Jack and the beanstalk. We grew our own beans and watched them germinate so we can learn new vocabulary; roots, seed, stem, leaves and grow. We have measured our bean plants with cubes and rulers and used the vocabulary, taller, shorter, the same and compare. We have planted our bean plants in the school allotment so we hope they will grow. The children know that they need sunshine and water to grow. We have compared other objects to use more vocabulary of size; bigger, smaller, longer, wider, narrower.

Overview of KS1 This Term continued...

As it is the Queen's jubilee soon we have enjoyed reading The Queen's Knickers and The Queen's hat. We have used the sounds we know to write labels for our pictures and the key words we know to write simple sentences. In Topic the last couple of weeks we have been learning about London and all the famous landmarks. We have even spotted lots of 2D shapes in photos and videos of London. We continue to work on being good friends and sharing. I hope you have a happy half term.

We have been having a right royal time in KS1 this half term. With the event of the century coming up soon, we have been focusing on Queen Elizabeth and her family. Our topic has been history, art and design based. We have learnt about some of the events that have happened since The Coronation in 1953. We looked at how different life was during the 1950's and compared it to modern day. We borrowed some toys from Milton Keynes Museum and looked at the toys children played with since the 1950's and then designed and made our own. We made wooden spoon dolls, frisbees, ball and cup catchers and playdough. The Year 2 children have also finished their SAT's this week and we are all extremely proud of their hard work and concentration. This week we will finish by making decorations and preparing for our Jubilee Picnic.

Diary dates

Friday 27 th May	12:00pm	School Jubilee Picnic <u>Parents & Families welcome</u>
HALF TERM MONDAY 30TH MAY – MONDAY 6TH JUNE		
Tuesday 7 th June	8:50am	BACK TO SCHOOL

Well done **Hedgehogss** with an attendance of **98.7%** for the week beginning **16th May**

Well done **Rabbits** with an attendance of **96.4%** for half the term

Did you Know: Lateness also affects your child's attendance %

REMINDERS AND UPDATES

AFTER SCHOOL CLUBS

We have opened bookings for the Summer Terms After School Clubs **via the School Spider App**. These are available on a first come first served basis as there are limited number of spaces available.

BREAKFAST AND 326 CLUB

All bookings for breakfast and 326 club need to be made before your child attends the session. We have found that some parents are dropping their children off for breakfast club in the morning but have not booked online.

SCHOOL LUNCHES— RECEPTION & KS1

Hopefully you know that **ALL children in Reception, Years 1 and 2 classes are currently entitled to have FREE school dinners**. Our school dinners are freshly prepared and cooked on the school premises by our very own chef, Mrs Finch. We appreciate that some children like to bring in a packed lunch, but by encouraging your child to have a school dinner, you will be saving money on your family food bills and will ensure they get a balanced meal. They don't have to have one every day, you can pick and choose which meals your child would enjoy.

If however, you wish to send in your child with a packed lunch either every day or just occasionally, we ask you to provide a balanced healthy lunch - here are some **items which must not be included in your child's lunch box**: No sweets, No chocolate, No fizzy drinks and limit to one cake or biscuit item

Please do **not include peanuts** or any product containing nuts such as Snickers in your child's lunch box. Some children who attend the School have an allergy to nuts and could become ill.

WATER BOTTLES

We would just like to remind you to send your child into school with a named water bottle everyday. Please make sure these are filled with **water only**, no juice or fizzy drinks.

REMINDERS AND UPDATES CONTINUED...

DINNER MENU CHANGE

As the children are heading to Gravity on Wednesday 22nd June we are changing the menu so they are having the buffet lunch when they return to school and the chicken alfredo on the Friday instead. If your child usually has a packed lunch on the Wednesday when chicken alfredo is served they will need to bring one on the Friday instead. Also if your child usually has a packed lunch on the Friday buffet day they will need to bring a packed lunch on the Wednesday instead for that week only.

HALF TERM ACTIVITIES

Campbell Park Parish Council have their school holiday free Activity Packs for children aged 4-11 yrs. These will contain a range of activities and craft, themed around the Jubilee. The activity packs can be collected from the Parish Office in Fishermead from Tuesday 24th May. We have also attached posters for some events happening over the half term.

NURSERY INVOICES

Thank you for your patience whilst we have been changing systems. All invoices for the nursery extra sessions and school lunches will now be invoiced every Thursday via School Spider. Please make sure payments are made by the Sunday. If invoices are not paid your child may not be able to attend the sessions.

SCHOOL IS CLOSED ON MONDAY 6TH JUNE.

*Campbell Park Parish Council and Willen Pavilion invite
you to join our celebration of Her Majesty The Queen's 70th
anniversary as monarch and come along to our*

Jubilee Family Fun Day

*Sessions are being hosted by MK Play Association
on behalf of Campbell Park Parish Council*

FREE ACTIVITY PACKS FOR CHILDREN

The next Activity Packs will be for the May Half Term holiday and will be available for collection from Tuesday 24th May.

The craft activities within the packs will be themed around the Queens Platinum Jubilee Celebrations as well as containing all the usual activities and colouring sheets.

To ensure as many families as possible can benefit from this, please only take one pack per child. The packs will be limited in number and only available while stock lasts.

We would also love to see any photos of the children enjoying the packs or the completed activities that we can share. Most of all – we hope that the children enjoy them.

The activity packs can be collected from the Parish Office in Fishermead:
Parish Office, 1 Pencarrow Place (behind the Trinity Centre) MK6 2AS –
Monday to Friday 9am – 4pm
