## **SUN PROTECTION**

As the weather seems to be warming up, where possible please bring your child in wearing a sunhat and apply sun protection to your child BEFORE they come to school. There are several types of creams available that only require one application which should then last all day.

## **SPARE CLOTHES**

We are still having nursery children arrive to school without a change of clothes. Especially with the weather warming up there will be opportunities for water play and fun outside. We only have a limited amount of spare clothes available at school, If your child does come home in school provided spare clothes please can these be washed and returned as soon as possible.
