

Weekly Bulletin

Tuesday 10TH September 2019

Welcome back to the start of another school year. I would like to start by saying it has been great to see so many children coming to school and being on time. Let's keep this going as we all know how unsettling it can be for children coming into school late. Mrs Garner and I will be in charge of attendance this year and we would like to make as few phone calls and house visits as possible.

Congratulations to Mrs Morley on the birth of her second son over the summer holidays and we wish her a restful maternity leave. You may see that some staff have moved to different areas of the school and you may also notice some new faces. In Owls class working with Miss Kemp, we have Miss Hawkes who is a student teacher with us this year and Mrs Russell will be working in year two also on a Wednesday expanding her teaching knowledge.

All the children seemed to have settled back into school and I would like to extend a very warm welcome to all our new children and families who have joined us this September. Over the summer holiday staff have been working hard in school getting prepared for their new classes which all look amazing. We are very excited about our new sensory room, The Oasis, all thanks to Mr Morris' hard work. The room will offer a wonderful space for the children to relax and feel calm.

The weather seems to have become a lot colder in recent days so please send children with jumpers and coats but please make sure that they are all named so that they can be reunited at the end of the day if children misplace them throughout the school day. I would like to take this opportunity to let you know that at the end of reception and year two we have to submit data about how well the children achieve whilst at our school. Early indications show that children at this point reach at least national expectations and achieve well. We are very proud of each and everyone of them and the effort that they put into their learning.

I look forward to another fun packed and exciting year ahead and working with you again for the best outcomes for all our children.
