MK Crime and Community Survey

Milton Keynes Council is concerned to collect as much up to date information about life in the area and about what concerns the people who live here. The annual SaferMK Crime and Community survey is a great way of making sure that your views about security and safety are taken into account when policy is made and when resources are made available.

You are invited to use this link <https://www.surveymonkey.co.uk/r/GMQQLWM> to take place in the survey. You need to be over 16 and to live or work in Milton Keynes. We are especially keen to ensure we have the views of young people and people who are members of or who work with minority, cultural or faith communities.

Take the opportunity to make your voice heard. The survey is open until 14th February 2020.

Well done **Rabbits** with an attendance of **100.0%** for the week beginning **13th January**. The whole school attendance for that week was **93.6%**.

Good attendance at school is important for your child's development & progress. Please ensure your child attends every day and not take holidays in term time.

We want every child to be a H.E.R.O every day, **Here. Every day. Ready to learn. On time.**

For the week beginning the 13th there were 13 occasions when children were late. Time lost in the mornings can mount up quickly in lost education and cause disruption for other children in the class.
