Tuesday 11<sup>th</sup> February 2020

## Attendance Statistics

From September to the end of January, 66% of our children achieved an attendance of at least 96%. 19% of these children achieved 100% attendance. Well done to those children and parents/carers.

Overall, in the same time period, the attendance of 69% of our school aged pupils has stayed the same or improved. As the weather starts to get warmer and the occurrence of colds reduces, we hope to see an even bigger improvement in these figures. **Help your child to be an Attendance Hero and see their confidence in learning grow!**

In nursery, the attendance of 54% of our children have stayed the same or improved and there are currently two children on 100%, which is fabulous.

Good attendance at school is important for your child's development & progress. Please ensure your child attends every day and not take holidays in term time.
