

# Weekly Bulletin

Friday 26<sup>th</sup> June 2020

## Hot Weather!

Temperatures have been high this week! We would just like to remind you that while the weather is lovely and hot, please remember to apply sun screen to your children before they come to school.

We will be doing lots of fun outdoor learning and play. Please also make sure that your child has a sun hat and water bottle in school with them.

## Bubbles

We now have 6 Bubbles up and running, with a 7<sup>th</sup> opening up on Monday 29<sup>th</sup> June for year 2 children and their younger siblings. This will be our last Bubble to open before we break up for the summer holidays. All of the children have settled in well and are enjoying being back at school.

This week our Bubble topics have been Pirates & Princesses, Dinosaurs and Under The Sea. Children have been exploring a variety of activities such as matching games, role play and creating their own pirate hats!

Thank you to parents/ carers for adapting with us as a school and following the new timings and drop off points for each Bubble.

## Water Fun Day!

To make the most of the wonderful weather this week, the children in each Bubble have had fun playing with water. Each bubble had their own water fight using buckets, hoses and pistols! Everyone, including the teachers, got drenched! They all enjoyed it thoroughly and it was lovely to see them all so excited!

## Home Learning

Learning packs are still able to be accessed through our website, on Tapestry or by collecting a copy from the front of school.

Well done again to parents/ carers for continuing to use these resources to learn at home!

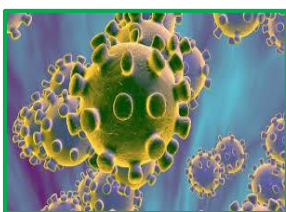

## Year 2 Party

Our Year 2s have been tasked with planning their own leavers party as part of their home learning. They will select the theme, decorations and menu. Keep sending all of your wonderful ideas through to Miss Kemp so that she can select the winner!
